Dear Parents

PARKING IN THE LANE. I understand that the parking and queuing system broke down again yesterday afternoon because there were a number of cars parked in the lane and the drivers had left their cars to pick up their children.

I have pointed out many times that this causes great difficulty for other drivers and can result in the lane being blocked with cars not able to pass each other, frustrated drivers, arguments and longer delays. When I patrol everyone follows the rules but sadly I can't be there every afternoon.

Once again I ask you not to leave your car parked in the lane whilst you go to pick up your child. When the car park is full please wait patiently in a queue. Your child will be supervised until you can park up and collect them. Be patient and thoughtful to others.

Questionnaires. If you didn't receive a questionnaire at the Teacher & Parent meetings this week please ask your child to pick one up from the office as your views on the school and homework in particular are important to us.
