

### **What happens if I need the toilet?**

We have toilets in the classroom. Tell an adult if you need to go. When you have finished, make sure you wipe yourself and then flush the toilet. You then need to wash your hands with soap and dry them carefully.

If you are playing outside at playtime find an adult on duty and ask them if you need to go to the toilet. They will help you.

### **What happens at the end of the school day?**

At the end of the day we usually sit together on the carpet to listen to a story. We also might sing songs and talk about what we have been doing.

Then you get your coat and belongings ready to go home. Mrs Weetch will say your name when your grown-up is here and hand you over to them. You wait until it's your turn so we can go out safely.

**We are looking forward to seeing you in September. We hope you are looking forward to school.**

# Welcome to Reception Class 2021.

Mrs Weetch

## Our Classroom

# What happens when I get to school?

When you get to school, you put your water bottle and book bag in the tray out-side. Your grown-up will bring you into class to meet Mrs Weetch.

You can then hang your coat on your peg.

Can you find an activity to do?

Once you are settled you will say goodbye to your grown-ups. You will see them later.

# What will I do at school?

Mrs Weetch will take the register to see who is here.

You can choose what you would like to do. We have lots of interesting activities for you:

- Painting and drawing
- Puzzles
- Reading and writing
- Bikes and lots more!

What are you looking forward to doing at school?

## What happens if I am hungry or thirsty?

You can have a snack in the morning. We have some fruit/vegetables here for you or you can bring your own. You only need a little bit. You will bring your own water bottle or you can order some milk.

For the first two weeks you will have your packed lunch in the classroom. After that you will go into the Busy Room with your friends to eat your lunch. The dinner ladies will help you.
