County Lines Spot the signs, Stop the exploitation

County line drug gangs rent property where they operate. Children and vulnerable individuals exploited by these gangs (to courier drugs and money across the country) are often housed in the rented property. A tenant involved in county lines might:

Offer to pay rent for a long period (e.g. 6 months) upfront in cash

Appear affluent but want to rent an inexpensive property

Be unable to provide landlord or employment references

Prefer to pay rent in cash without good justification

Prevent you from inspecting your property when given reasonable notice
